

April SWSCC Newsletter

This is the 2nd
installment of
the 2022
newsletter.

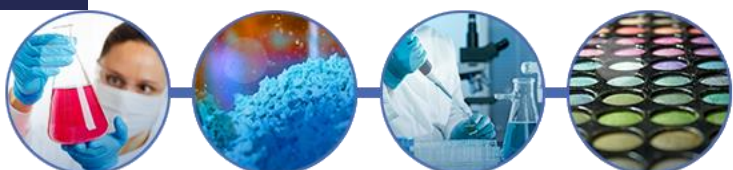

Here you will
find info of
upcoming
events as well
as other info
from YOUR
chapter.

Letter from the Chair-Elect: Quyên Tra

Tomorrow is but a step from today! As we progress through the year, let's not forget the fun we have had and the excitements that are still to come. In between all the good times, we were able to about learn about Sensory Evaluation for Product Development, Designment Clinical Studies for Cosmeceuticals, and The Reef Safety of Zinc Oxide Based on Exposure Scenarios. We also had a blast at the Culinary Event and look forward to the upcoming events such as the annual Golf Tournament, CEP course, Supplier's Day, Trunk or Treat and end-of-year SWSCC Dinner Dance where we will be dancing under the stars.

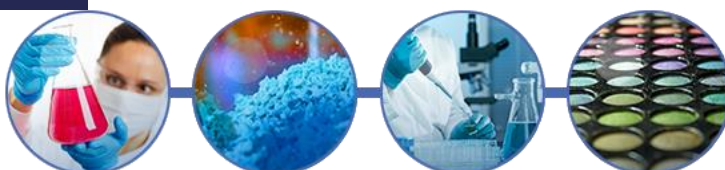

It is also that time again to nominate yourself for SWSCC 2022 Election. The position of Chair-Elect, Secretary, and Treasurer-Elect are all up for the taking! So get involved and make a difference! If you do not want to hold an official Board position, you are welcome to join in on the different committees. Bring your spirit of enthusiasm and expertise!

More about the Chair-Elect

Quyen grew up in California and moved to Texas in October 2020. She holds a B.S. in Biochemistry from CSU, Long Beach and is currently pursuing her MBA in Strategic Leadership at Messiah University. She is currently working at Mary Kay as a Product Formulation Scientist.

Having been called by the Texas sky and summer rain, Quyen moved to DFW metroplex with her two kitties. Here, she found endearing people who she now calls friends and a horizon full of excitements. Quyen's mission in life is to create a non-profit that works with foster children. In her spare time, Quyen enjoys meditation, yoga, dancing, nature walks, non-fiction books, museums and performing arts. Her favorite cities in her travel are Rome, Paris, and Dubrovnik.

Kisolite[®] BMP
BIOGENIC MINERAL POWDER

INNOVATION REDISCOVERED

All Natural. Mineral-rich.

Kisolite[®] BMP Biogenic Mineral Powder's unique physical properties strengthen the skin's barrier, leaving it feeling refreshed and protected. Ethically harvested and processed without the use of harmful chemicals, Kisolite[®] BMP is safe and ideal for personal care applications including: lotions, lip balms, face masks, salves, shampoos, and more.

Golf tournament in memory of Jeff Peterson registration is OPEN!

“It is with our deepest sorrow that we inform you of the death of our beloved friend Jeffrey Peterson, founder, and owner of Silicones Plus. He passed away on April 14th following a two-year battle with cancer. Jeff is deeply missed by friends, colleagues, and family as his energetic and fun spirit lives on. He was a big supporter of the SWSCC and an avid golfer.

We would like to commemorate him in this year’s SWSCC golf outing. Please join the SWSCC and the many friends of Jeff Peterson to play golf, have fun, share stories, and remember all his contributions to the success of the SWSCC on May 26th.”

SUMMER CAMP 2022 VIRTUAL PROGRAM

Interested in learning about the process of creating makeup and personal care products?

Join us in our virtual summer camp to discover the science behind cosmetic products, learn more about the profession and experience hands-on fun.

A variety of presenters will host interactive sessions and you'll hear from an alumni panel that will share their academic and career experiences.

Attendees will receive a camp kit with supplies and samples needed for the hands-on portion of their virtual camp experience and a camp T-shirt.

VIRTUAL PROGRAM DETAILS

**Wednesday, June 22-
Friday, June 24**

- 11 a.m.-4 p.m. EST
- Cost: \$150
- High school students entering grades 10, 11 or 12

**REGISTER EARLY,
THIS CAMP WILL
FILL UP FAST!**
