

## Message from my Heart SWSCC Suppliers' Day Chair

Wow!! We had another successful Suppliers' Day this year. It was the largest we had in attendance and exhibitors. There were 128 booths (360 staff working their booths) and over 450 attendees!! I felt so bad that I had to turn away about 15 exhibitors because the venue wasn't big enough to hold the booths and lunch. In 2024 we will need to have the lunch in another area of the venue so we can accommodate more booths.

I want to thank all exhibitors who showed their new and innovative items to their customers, and I hope you gained new customers. I saw heavy activity at the booths which seemed to be very successful. The pictures taken from the show (which are on the SWSCC.org website under the suppliers' day tab) showed a lot of customers and exhibitors in deep conversation.

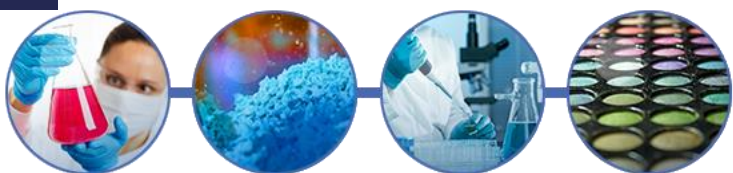

And a big special thank you to our sponsors! We received an overwhelmingly record of sponsorship for this show. We could not have the lunch, after party and prizes without your help. Our platinum sponsors Coast Southwest and Devereaux Specialties I can't thank you enough for your time and support you gave to our event. The event could not be successful without these sponsors. We have listed all of them in this newsletter

I also need to give kudos to some other companies and people who supported this event. First of all I want to thank my company, Mary Kay inc. who donated a wonderful gift bag for a prize and three of our employees (Emily, Katrissa and Kim) who worked the registration desk. They were a huge help so that the volunteers could attend the show after it opened. Another thank you is to Robert Vetkoetter at Emultec who stored and delivered the prizes for the event. He always supports our chapter when we need his help! I would also like to thank the SWSCC Board, Chrissy, Quyen, Kim, Nirmal and David. They supported Alison and me with various things throughout the year and the day of the event (Crissy and Nirmal you rocked at the registration booth!). As I mentioned earlier our photographer (Bill Birt Photography) took awesome pictures and they are located at swscc.org on the Suppliers Day Tab. When you look at the pics there is a download button and once you do that the watermark will be removed. I saw a lot of fun going on during the show and at our after party. I enjoyed seeing all the smiles (especially the smile of the person who won my purple Yeti cooler)! 😊

installment of  
the 2022  
newsletter.

Here you will

upcoming  
events as well  
as other info  
from YOUR  
chapter.

I wanted to save the best for last. Alison Nally! What can I say about how much she helped with getting the sponsors logos and ensuring they were sent to the signage company. She was my rock and I couldn't have done this without her help and support. When you see her give her kudos because she really deserves so much recognition. She handles things more calmly than I do. 😊

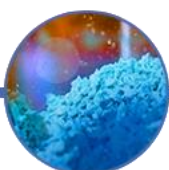

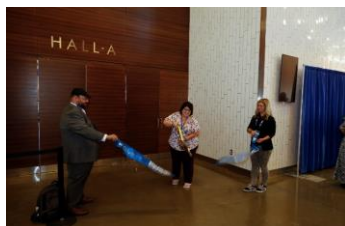

I am so proud to be part of this organization and have enjoyed my time of being the chair of this event, but it is time to pass it on to someone else. If you are a person who likes to organize events and have fresh new ideas, please contact the SWSCC board and let them know you are interested. This is your chapter, and we need your help. I will tell you every year when it is over my heart is always warmed by the people and their kindness, they have given to me over all these years. We are all an amazing group of people, and I am so glad I know so many of you and have made new friends and colleagues.

Thank you again to everyone!

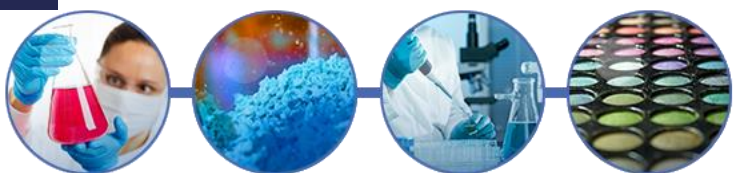

Warmest Wishes,
